

ANIMAL STUDIES SCHOOL SESSIONS

Our Animal Studies tutors would like to invite year 10 or year 11 students interested in exploring careers within the animal care industry to take part in practical workshops focusing on animal handling and animal care.

Our brand new £1.6m Animal Management Centre opened 2018 has extended our high-quality provision and has specialist rooms for fish, invertebrates, nocturnals, rabbits, guinea pigs, reptiles, amphibians, small mammals, plus a dedicated dog exercise and grooming room.

*Book your session any Monday, January - May 2019
- Year 10 or 11 students only
