Dear Parent/Carer

Before the school and the rest of the country went into lockdown because of the Covid 19 pandemic we, the governors, were in the process of appointing a new headteacher to replace Mr Hings who is retiring at the end of this academic school year. This process was halted and at this time is not able to recommence and will not be able to do so for some time. In order to provide stability for the school during these difficult times and into the new school year we have asked Sharon Mather, who is currently Deputy Head, to take on the role of interim Headteacher.

The governors know that the school will be in good hands as Sharon has proven herself to be an outstanding and dedicated member of the senior leadership team and has the experience to guide the school going forward. We wish her good luck in her new role and thank all the school staff for their dedication and hard work over this difficult period.

Yours sincerely
