

29 June 2020

Dear Year 11 Student,

We hope this letter finds you and your families well.

A lot of you have been asking questions about sixth form and this letter will hopefully give you the answers as we move towards your GCSE results day on Thursday 20th August. At the moment, we are not sure how results day will look but more information about this day will follow in the next few weeks.

In preparation for your transition into Holy Family 6th, on the school website on the sixth form page, there will be a section called 'Transition' which will go live on Monday 6th July. In this section you will find information and tasks on study skills, links to some free courses and websites to further develop your skills during the summer, transition booklets for subjects and a frequently asked questions section.

Each subject has designed a transition booklet that we would like you to complete by the start of sixth form for the subjects you intend to study at Holy Family 6th. These booklets will give you an opportunity to get a taste of some of the topic areas you will study during your A level or BTEC courses and complete work to support with your future learning.

The frequently asked questions section has been designed to reassure you and give you answers to the questions that we always get asked either before or on results day. If you have any further questions, please do not hesitate to email me on: loldroyd@holyfamilyschool.uk. We will collate the questions and prepare answers to be uploaded on the website on the 10th and 17th July.

On the 'Remote Learning' part of the school website there are also assemblies and video messages for you as we introduce you to us, and look out for the Sixth Form team TikTok!

We are looking forward to welcoming you to Holy Family 6th in September and wish you every success with your GCSE results.

If you have any questions or just want to have a chat with us please do contact us at school.
