Dear Parent/Carer

I would like to take this opportunity to welcome you back to the start of the new term and thank you for your support in these trying times.

Joining the school this term, as Interim Deputy Headteacher, is Mrs F Johnston. Mrs Johnston is a very experienced senior leader who will be working closely with the senior leadership team to raise standards across the school. The Governing Body are pleased to welcome her to our school family and wish her well.

As you are aware, we are once again facing lockdown within the next few days. This time, schools will remain open and I am confident that our school has everything in place to keep the students safe. We recognise that education for all children has been disrupted this year and we are determined to provide the best education we can for our students. It is for this reason we ask that you make sure that your children attend school every day, on time and with their face masks. Please talk to them about following distancing rules both in and out of school in order to prevent the spread of infection. If your child does become unwell keep them at home and contact the school as soon as possible.

This has been a very difficult year for everyone and has had a great impact on families both financially and emotionally. If you have any concerns regarding your child, please contact the school as we are able to offer support as well as help and advice.

Yours sincerely
