

Awakening Minds in **Art**

Encourage a culture where all students feel confident to contribute during lessons, where all learn from the participation of others and where students encourage and support each other to become enthusiastic, engaged learners.

Achieving Dreams in **Art**

Aid all students in active experimentation with artistic processes and techniques. Inspire them to appreciate the visual aesthetics of the world around them to derive joy from this existence on earth.

Serving Others in **Art**

Ensure every student, regardless of starting point, builds a set of experiences and skills from their Art education that enable them to achieve well at KS3, GCSE and A Level so that they can aspire to achieve their dreams and will be able to make choices in their future careers.
