Dear Student

Subject:

Congratulations! You have been chosen by your subject teacher as one of the students who has demonstrated excellence in learning for this week either in school, or at home.

We understand how challenging it can be to fully engage with your learning during the strange times we are experiencing at the moment and we are very proud of you for managing to do that so well.

Hopefully it won't be too long before we are all back in school together and can get back to some form of normality.

Once again, well done!! Keep up the good work!!

Yours sincerely
