

Awakening Minds in RE

A profound love of learning powers our curiosity and our appetite to expand our horizons. We engage attentively with our studies, persevering in adversity.

Achieving Dreams in RE

Our conviction is that Religious Education helps us to achieve success as individuals, communities and societies. We grow in wisdom and in confidence, reflecting on our learning to maximise its effectiveness, ever broadening our choices and opportunities.

Serving Others in RE

Jesus' instruction to love our neighbour in the story of the Good Samaritan is our abiding motif. We show respect, compassion and tolerance to everybody at all times, regardless of who they are, and especially when that love is most needed.
