Photography Competition

Theme: The Beauty of Science!

- Open to teachers and students!
- Prints with caption go on display
- Winner announced on **Monday 8th March**

The Science department are having a Photography Competition celebrating the power of photography in capturing scientific phenomena happening all around us.

Take your image and send it in. It can either be brought into school or emailed to hfscience@holyfamilyschool.uk

Deadline for entries is **Monday 22nd February**. Prizes for the best entries.
