Dear Student

Congratulations! You have been recognised as one of the top students who has demonstrated excellence in learning for this week either in school, or at home. This week, we have used the number of green thumbs up awards you have received over the last two school weeks.

We understand how challenging it can be to fully engage with your learning during the strange times we are experiencing at the moment and we are very proud of you for managing to do that so well.

I hope you really enjoyed the half-term holiday and are looking forward to returning to school for face-to-face teaching soon.

Once again, a very big well done!

Yours sincerely
