## The Holy Family Catholic School

LOVE happy time things knowing change LEARING

seek growing true good attracted understanding worth **open** desire minded

## The Holy Family Catholic School

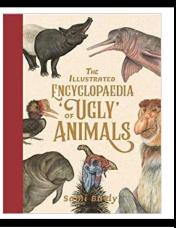

- You have a desire for knowledge and are happy learning new things and growing in understanding.
- You are attracted by what is worth knowing and away from what is not.
- You give time to learning and you seek what is true and what is good.
- You do not give time to rumour or gossip.
- You are open minded and open to change.

## **Our own interests and passions**

## nowleda

My family are currently reading this book. We love learning about the different creatures and how they evolved their features! We don't think most of them are ugly at all! Click <a href="here">here</a> to look inside the book!

e a sonino

- 1. Should we only bother to learn the things we 'need' to learn?
- 2. What other reasons might we want to learn for other than because we 'need' to?
- 3. But how do we learn if we don't need to I find it difficult!

ctice

- Discover your own interests through curiosity. Keep your eyes and ears open and ask questions.
- 2. Target learning things you are interested in and would like to know more about.
- 3. A little learning at a time adds up to a lot of learning.
