Great Success Story

We are delighted to share with you one of our student's achievements.

Jack Hanner has been a student at Holy Family since September 2016.

During lockdown Jack had been helping out at a garage washing and valeting cars. He decided to see how popular this would be if he set up his own business and posted on Facebook his idea. The response was very positive and one man donated over £100 worth of cleaning products to help set Jack up.

Jack's business is going from strength to strength and we are very proud that he is part of The Bridge and congratulated him and wish him continued success.
