Dear Parent/Carer

### **Assessment Window One week commencing Monday, 26 April 2021**

Further to our communication last week, we are writing to you with the timetable for next week's gathering of evidence for examination groups. The assessments have been decided upon to ensure all our students are given the opportunity to demonstrate their learning. All evidence will be gathered in classrooms during lesson times due to maintaining a Covid secure environment. We will be asking students to observe examination protocols and work in silence by turning off their mobile phones and keeping them in their bags, bringing the correct equipment, being punctual to class and having their candidate number stickers available.

Students who are entitled to access requirements will still receive their full entitlement to extra time, laptops, scribes and readers this has been arranged by Ms Pritchard and she will ensure that this runs smoothly for these students.

Please do not hesitate to contact school should you wish to discuss any aspects of our assessments.

Yours sincerely
