

Our Ref: DK/SLA

4 May 2021

Dear Parent/Carer

### **Assessment Window Three - week commencing Monday, 24 May 2021**

Our final assessment window has now been planned and will run from the date above. The assessments in all subjects have been decided upon to ensure all our students are given the opportunity to demonstrate their learning. All evidence will be gathered in classrooms during lesson times due to maintaining a covid secure environment. We will be asking students to observe examination protocols, working in silence, turning off mobile phones and keeping them in bags, bringing the correct equipment, being punctual to class and having their candidate number stickers available.

Students who are entitled to access requirements will still receive their full entitlement to extra time, laptops, scribes and readers this has been pre-arranged by Miss Pritchard and she will ensure that this runs smoothly for these students.

For those students that have missed the opportunity to demonstrate their learning in any of the assessment windows; we will be writing new papers and providing a final opportunity to gather evidence of learning after May half term.

**Next week I will write to you with detailed information on how we plan to arrive at a final grade for every subject and the evidence that will be used to inform this judgement. If you have concerns or worries with any aspect of the evidence to be used, please contact us at the earliest opportunity so we can work together to solve them. I have attached once more, a parent guide provided by the examination board's regulator.**

Yours sincerely

S Layas (Mrs)  
Senior Assistant Headteacher,  
Quality of Education

S Mather (Ms)  
Interim Headteacher
