Dear Parent/Carer

I am writing to you regarding our assessment weeks for students in Year 10. Usually at this time of year, students formally sit end of year assessments in the school hall. This year, we are unable to do this due to the restrictions relating to our school risk assessment.

We do, however want all our students to sit a mini assessment in every subject, so they are given the opportunity to prepare for next year in a small and manageable way given the difficult context this year has presented.

These mini assessment windows will begin on Wednesday, 23 June 2021 and conclude on Tuesday, 6 July 2021. Assessments will be sat in usual classrooms with their usual subject teachers.

Each Year 10 form group have a different timetable, please see below.

We hope this will provide a useful opportunity for students to brush up on their revision skills and enable us, as a school, to build in appropriate intervention for all students into next year.

If you require any further information, please do not hesitate to contact the school.

Yours sincerely
