Dear Parent/Carer

### Summer School

Further to my previous letter, I would like to remind you that your child still has the opportunity to attend our Summer School which runs from **Monday, 26 July 2021 to Friday, 30 July 2021**. The daily timetable will run from 9.00 am to 2.45 pm and there is no charge.

The main aims of Summer School are to support and encourage students to develop an enjoyment of Mathematics and English and also to prepare them for the secondary school through a carefully structured one-week programme. Students are nurtured through team building activities, IT activities, games and group work related to the National Numeracy and Literacy Strategy along with a trip to the cinema, if possible.

Students will take part in daily games/activities and will have the opportunity to play at lunchtimes. One of the great benefits of attending the Summer School is that your child will have the opportunity to meet staff and a chance to befriend students from the other feeder primary schools who will be joining them in Year 7.

As you will be aware, we only have a few weeks left before the end of term and therefore I need to finalise plans quickly. As we expect a large interest this year, we would appreciate a quick response from you to acknowledge your child's attendance. **Therefore, if you would like your child to attend the Summer School, please complete the reply slip, enclosed, and return to me by Monday, 12 July 2021.** Please include any medical information or dietary needs that we need to be aware of along with emergency contact details.

Please mark your envelope 'for the attention of Mrs F Azad'.

If you have any questions or concerns and require any further information, please do not hesitate to contact me.

Yours sincerely

F Azad
