

Year 13 TAG Evidence

Subject: Biology A Level

	Title of Evidence
1	Assessment 1. (Sat under exam conditions May 2021) Paper 1 content covered – on the following topics: <ul style="list-style-type: none">• Gas exchange• Transcription• Required practical – membrane structure• Immune response• Digestion
2	Assessment 2. (Sat under exam conditions May 2021) Paper 2 content covered – on the following topics: <ul style="list-style-type: none">• The eye – muscles, fovea, rods• Kidneys• Stem cell treatments• Gene technology• Control of gene expression• Populations• Hormones and receptors• Natural selection and speciation• Muscles
3	Assessment 3. (Sat under exam conditions May 2021) Paper 3 synoptic paper covering all topics from papers 1 and 2.
4	Assessment 4. (Sat under exam conditions May 2021) Paper 4 – covering content from paper 1 and 2 topics.
5	Mock exam results from October 2020. (Sat under exam conditions)
6	End of unit topic tests, half term assessments from throughout the A level course, exam questions as homework and classwork.

Subject: Chemistry A Level

	Title of Evidence
1	Assessment 1. (Sat under exam conditions May 2021) Paper 1 content covered – on the following topics: <ul style="list-style-type: none">• Physical and Inorganic Chemistry• Born Haber Cycle• Amount of Substance• Periodicity• pH and Buffer• Shapes• Gibbs
2	Assessment 2. (Sat under exam conditions May 2021) Paper 2 content covered – on the following topics: <ul style="list-style-type: none">• Organic and Physical Chemistry• Functional groups and isomers• Testing for functional groups• Infrared Spectroscopy• Acylation mechanisms• NMR Spectroscopy• Empirical Formula Calculations
3	Assessment 3. (Sat under exam conditions May 2021) Paper 3 synoptic paper covering all topics from papers 1 and 2. <ul style="list-style-type: none">• Practical skills• Oxides of nitrogen• Catalysts• Pollution• Specific Heat Capacity• Metal oxides• Synoptic MCQs
4	Assessment 4. (Sat under exam conditions May 2021) Paper 4 – covering content from paper 1 and 2 topics. <ul style="list-style-type: none">• Gibbs• Free energy• Amount of Substance• Periodicity• Ionisation Energies
5	Mock exam results from October 2020. (Sat under exam conditions)
6	End of unit topic tests, half term assessments from throughout the A level course, exam questions as homework and classwork.

Subject: Physics A Level

	Title of Evidence
1	Topic tests on Mechanics and Materials (Year 1 work)
2	Topic tests on Waves and Refraction (Year 1 work)
3	Topic tests on Quantum Physics and Particle Physics (Year 1 work)
4	Controlled test on Electricity (DC and AC) and Capacitors (Year 2)
5	Controlled test on Mechanics and Thermal Physics (Year 2)
6	Controlled test on Fields and Nuclear Physics (Year 2)
7	40 Multiple Choice Questions on all aspects of AQA syllabus (Year 1 and Year 2)

Subject: English Language & Literature A Level

	Title of Evidence
1	DC1 Nov 2020 & DC2 Mar 2021
2	Paris Anthology – Paper 1
3	A Street car named Desire – Paper 2
4	Poetic Voices – Paper 1
5	NEA

Subject: English Literature A Level

	Title of Evidence
1	DC1 Nov 2020 & DC2 Mar 2021
2	Othello Section A Paper 1
3	Othello Section B Paper 1
4	Unseen Extract Section A Paper 2
5	Kite Runner – Paper 2
6	Handmaids Tale – Paper 2
7	NEA
8	NEA

Subject: Mathematics A Level

	Title of Evidence
1	GEOMETRY
2	ALGEBRA
3	MECHANICS
4	STATISTICS
5	EXPONENTIALS AND LOGARITHMS
6	DIFFERENTIATION AND YR12 INTEGRATION
7	TRIGONOMETRY

Subject: Level 3 Certificate in Applied Science (TVQ01028)

	Title of Evidence
1	Unit 4 exam paper 1, which covered the following content: Diet and diseases Interpreting graphs Hinge joints
2	Unit 4 exam paper 1, which covered the following content: Oxygen saturation including dissociation curves Structure of digestive system Bile and lipid digestion Macronutrient deficiencies Uses of micronutrients in the body
3	Unit 4 exam paper 1, which covered the following content: Myofibrils The role of calcium Sympathetic nervous system Areas of the brain Depolarisation and repolarisation Myelinated and unmyelinated neurones
4	Unit 5 coursework, which covered the following criteria. PO1 preparing for a scientific investigation (P1, M1, D1, P2, M2 and D2) PO2 Carry out the investigation and record results (P3, M3, P4, P5, M4 and D3) PO3 Analyse results, draw conclusions and evaluate the investigation (P6, M5, D4, P7, M6, P8, M7 and D5) PO4 Present the finds of the investigation to a suitable audience (P10 and M9)
5	Unit 6b coursework, which covered the following criteria. PO1 Understand imaging methods (P1, M1, D1, P2, M2) PO2 Understand radiotherapy techniques and the use of radioactive tracers (P3, M3, D2, P4, M4, D3, P5, M5, D4, P6 and M6) PO3 Demonstrate the ability to work with radioisotopes in the laboratory (P7, M7 and D5) PO4 Understand the medical uses of optical fibres and lasers (P8, M8 and P9)

Subject: Geography A Level

	Title of Evidence
1	Non-examined Assessment 60 mark piece of coursework.
2	Paper 3: Synoptic and skills questions based on Disease Dilemmas and Tectonic Hazards.
3	Paper 3: essay question based on Disease Dilemmas and Tectonic Hazards.
4	Paper 1: Earth's Life Support System – whole section with short structured and extended question types.
5	Paper 2: Changing Spaces, Making Places and Migration questions, including short structured and extended question types.
6	Data Collection 1 and 2

Subject: History A Level

	Title of Evidence
1	DC data - Assessment 1: <i>Half term 1 2020 -2021</i>
2	Civil Rights in America, 1865 - 1992, Assessment
3	The Early Tudors Assessment
4	Russia, 1894 – 1941, Assessment
5	NEA, Topic Based Essay.

Subject: Religious Studies A Level

	Title of Evidence
1	DC1
2	DC2
3	Philosophy <i>(AQA A level 2021 assessment resource)</i>
4	Ethics <i>(AQA A level 2021 assessment resource)</i>
5	Christianity <i>(AQA A level 2021 assessment resource)</i>
6	A range of assessments spanning Y12-13 <i>(past papers and school's own papers, to exam standard)</i>

Subject: Psychology A Level

	Title of Evidence
1	Data Collection 1 (End of topic tests for Memory, Attachment, Psychopathology and essays on the topic of Approaches – all completed in Year 12)
2	Data Collection 2 (Essays and homework from Social Influence, Research Methods and Stress)
3	Stress and Biopsychology Assessment
4	Approaches and Issues and Debates Assessment
5	Research Methods Assessment

Subject: Sociology A Level

	Title of Evidence
1	Data Collection 1 (End of topic tests/essays for Identity, Families and Relationships, Social Class Inequalities – all completed in Year 12)
2	Data Collection 2 (Essays and homework from Research Methods, Ethnic Inequalities, Gender Inequalities and Age Inequalities)
3	Globalisation and Digital Communication Assessment (Section A Paper 03)
4	Crime and Deviance Assessment (x3 small essay questions)
5	Social Inequalities Assessment (40 mark essay)

Subject: Film Studies A Level

	Title of Evidence	
1	Essay Taxi Tehran & Life is Beautiful – Global film	mark out of 40
2	Pulp Fiction – Experimental Film	mark out of 20
3	Sunrise – Silent Film	mark out of 20
4	This is England/Trainspotting – Independent UK Film	mark out of 40
5	Beasts of the Southern Wild / La La Land Independent American Film	mark out of 40
6	Screenplay NEA	grade A*-E
7	DC1 / DC2 data – various classwork since September 2020	

Subject: Media Studies A Level

	Title of Evidence
1	DC1 & DC2 NEA Coursework
2	Paper 1 Past Exam Question – Representation - Music Video
3	Paper 1 Past Exam Question – Media language – Film Posters
4	Paper 1 Past Exam Question – Industries - Radio
5	Paper 1 Past Exam Question – Audiences – Video Games
6	Paper 2 Past Exam Question – Section A: Television
7	Paper 2 Past Exam Question – Section C: Online Media

Subject: Business Studies A Level

	Title of Evidence
1	Year 13 – DC1
2	Year 13 – DC2
3	Theme 1 – In class assessment 45 mins (27th April 2021)
4	Theme 4 – In class assessment 45 mins (28th April 2021)
5	Theme 2 – In class assessment 45 mins (11th May 2021)
6	Theme 3 – In class assessment 45 mins (12th May 2021)
7	Synoptic – in class assessment 45 mins (25th May 2021)

Subject: BTEC National Extended Certificate in Sport

	Title of Evidence
1	Data collections Yr12 DC1/DC2 Yr13 DC1/DC2/UCAS predicted grade
2	Unit 1: Anatomy and Physiology Exam – CAG given by Pearson Supporting evidence of work completed last year – students asked to bring in exam questions
3	Unit 7: Practical Sport CAG from last year with some work produced during lockdown Unable to complete practical due to lockdown – some practical during May 2021
4	Unit 2: Fitness Training and Programming for Health, Sport and Well-being Exam completed in Jan 2021 – Set and marked externally by Pearson
5	Unit 3: Professional Development in the Sports Industry Coursework completed Witness statement as support for interviews Sampling by SV

Subject: BTEC National Extended Certificate in HSC

	Title of Evidence
1	Data collections Yr12 DC1/DC2 Yr13 DC1/DC2/UCAS predicted grade
2	Unit 1: Human Lifespan Development CAG given by Pearson Supporting evidence of work completed last year – students asked to bring in exam questions
3	Unit 5: Meeting Individual Care and Support Needs CAG from last year Coursework was nearly all completed
4	Unit 2: Working in HSC Mock exam completed December 2020 Exam questions completed – students to bring in completed work
5	Unit 2: Assessment 1 (window 3)
6	Unit 2: Assessment 1 (window 3)
7	Unit 11: Psychological Perspectives Coursework completed Witness statement as support for interviews Sampling by SV

Subject: OCR Cambridge Technicals IT – Introductory Diploma – Application Developer pathway

	Title of Evidence
1	Data collection 1 - Social media and digital marketing (O)
2	Data collection 2 - Social media and digital marketing (O) Unit 17 - Internet of Everything (O)
3	Examinable components Unit 1 – Fundamentals of IT (M)
4	Unit 2 – Global information (M)
5	Coursework components Unit 6 – Application design (M)
6	Unit 13 – Social media and digital marketing (O)
7	Unit 17 - Internet of Everything (O)

M – Mandatory

O - Optional

Subject: Music Technology A Level

	Title of Evidence
1	DC 1 Nov 2020 & DC2 Mar 2021
2	Advanced Component 4: Production and Analysing Written/practical examination Non-examined assessment
3	Advanced Component 3: Listening and Analysing Written examination: 1 hour Written/practical examination
4	Advanced Component 2: Technology-based composition Non-examined assessment
5	
6	
7	

Subject: Art & Design A Level

	Title of Evidence
1	Painted Artwork AO3.
2	Painted artwork AO1.
3	Development of ideas AO2.
4	
5	
6	
7
