Virtue of the Week – HOPE

“Oh, that I might have my request, that God would grant what I hope for...”
(Job 6:8)

You might be awarded a *hope* virtue for doing things like:

- Making progress towards targets
- Overcoming obstacles in life and learning
- Working towards a successful life after school

- *You know that when life gets hard you don't give up but carry on hoping that things will get better.*
- *You dream of a better world or something better that will come in the future.*
- *You live for something greater than yourself.*
- *Your hope drives out selfishness and boredom and encourages you to engage with your community and do good works.*
- *You trust that God is at work moving the world towards what is good.*

Being a good listener

Knowledge

- Many of us know how talk, but far fewer of us know how to BE A GOOD LISTENER.
- The Catholic Church is about to start a process of listening to people in parishes and schools around the world.
- It is hoped that what we all say will help the Church to grow.

Reasoning

1. What are the advantages of people listening to others?
2. What would happen if our leaders never listened to other people's views?
3. The Pope has identified three words for us: communion, participation, mission. What do these mean?

Practice

1. We will all complete the 'From Parish to Mission' survey in RE classes next week. Have your say!
2. A link to parents will be sent out. Encourage them too!
3. Remember, in 2023 a synod of bishops will meet to discuss what we said. This will shape our school for the future!
