Week 3	To be able to identify when pause is necessary within a piece of drama for marking the moment To be able to identify appropriate points pause Showing an understanding of how pause can adversely and positively affect pace	Display an understanding of the characteristics of mime Display an understanding of the theatrical origins of mime To perform a piece of drama showing effective storytelling through mime	Understand how props and sets can be used symbolically Understand how costume can be used as symbolism Devise a piece of drama using symbolism

Week 4	<p>Understand what thought tracking is</p> <p>Understanding of how thought tracking is used as part of direct address</p> <p>Display an understanding through devising of thought tracking in progress</p>	<p>Show an understanding of how story telling can be achieved using flashback</p> <p>Display a use of space to create effective flashbacks using still image as a base</p>	<p>Understand the disciplines needed in cross cutting</p> <p>Understand the use of space and how a use of space in cross cutting can affect actor/audience relationship</p>
Week 5	<p>Understand how narrative is used in drama</p> <p>Understand what narrative is NOT or should NOT be within drama</p> <p>Begin to understand a use of direct address within drama</p>	<p>Understand how direct address is used in Brechtian technique</p> <p>Understand how direct address can be used to create pace within a performance</p> <p>Devise a piece of direct address performance</p>	<p>Understand the disciplines required in multi rolling</p> <p>Understand how practitioners use multi rolling</p> <p>Create a piece of performance whereby they are multi rolling as actors</p>
Week 6	<p>Understand difference between production and performance elements</p> <p>Understand the impact of a live audience within theatre</p>	<p>Be able to make perceptive notes about production elements within a performance</p>	<p>Be able to make perceptive notes about performance elements within a performance</p>
Week 7	<p>Understand how to critically analyse one of two key moments within a piece of live theatre</p>	<p>Understand how to critically analyse one of two key moments within a piece of live theatre</p>	<p>Understand how to structure a response to a Section B question in C3</p> <p>Answer using perceptive, critical analysis, a question from a past paper</p>
Week 8	<p>Understand the significance of set</p> <p>Understand the difference between stylized and minimalist set</p>	<p>Understand the use of lighting in theatre</p> <p>Understand how lighting is used in theatre to aid the storyline</p> <p>Understand different lighting terms</p>	<p>Understand how characterization is used in Drama</p> <p>Understand the difference between vocal and physical characterization</p> <p>Display an understanding and usage of subject specific terminology</p>

Week 9	Understand how what design elements are and how to use them effectively in theatre and performance	Understand how costume can be used to aid a performance	Understand how props can be used to aid a performance
Week 10	Understand the different types of theatre stages and how they can impact an overall performance and audience view.	Understand the different types of theatre stages and how they can impact an overall performance and audience view.	Understand the importance of knowing all the stage directions and how actors and directions use them during the devising process
Week 11	Recap knowledge of all design elements of theatre and performance	Theory PAZ assessment based on knowledge of design elements and dramatic devices	Understand how to evaluate performers own performance by fulfilling evaluation criteria
Week 12	PAZ assessment practical devising including use of all design elements. Introduction to assessment criteria and how to achieve it.	PAZ assessment practical devising including use of all design elements.	PAZ assessment practical devising including use of all design elements.
Week 13	PAZ assessment practical devising including use of all design elements.	PAZ assessment practical devising including use of all design elements.	Practical PAZ performance. To understand the importance of peer feedback.
Week 14	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses.	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically through workshops and devising	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically through workshops and devising
Week 15	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses.	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically	To explore Berlot Brecht as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically

		through workshops and devising	through workshops and devising
Week 16	To explore Emma Rice as a practitioner and understand her style of theatre and the specific techniques T.I.E uses.	To explore Emma Rice as a practitioner and understand her style of theatre and the specific techniques she uses. Explore her specific techniques practically through workshops and devising	To explore Emma Rice as a practitioner and understand her style of theatre and the specific techniques she uses. Explore her specific techniques practically through workshops and devising
Week 17	To explore Stanislavski as a practitioner and understand his style of theatre and the specific techniques he uses.	To explore Stanislavski as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically through workshops and devising	To explore Stanislavski as a practitioner and understand his style of theatre and the specific techniques he uses. Explore his specific techniques practically through workshops and devising
Week 18	To explore Steven Berkoff as a practitioner and understand his style of theatre and the specific techniques he uses.	To explore Steven Berkoff as a practitioner and understand his style of theatre and the specific techniques he uses. Explore Berkoff's specific techniques practically through workshops and devising	To explore Steven Berkoff as a practitioner and understand his style of theatre and the specific techniques he uses. Explore Berkoff's specific techniques practically through workshops and devising
Week 19	To explore T.I.E as a genre and understand its style of theatre and the specific techniques T.I.E uses.	To explore T.I.E as a genre and understand the style of theatre and the specific techniques it uses. Explore the specific techniques practically through workshops and devising	To explore T.I.E as a genre and understand the style of theatre and the specific techniques it uses. Explore the specific techniques practically through workshops and devising

Week 20	To explore Physical Theatre as a genre and understand its style of theatre and the specific techniques it uses.	To explore Physical theatre as a genre and understand the style of theatre and the specific techniques it uses. Explore the specific techniques practically through workshops and devising	To explore Physical Theatre as a genre and understand the style of theatre and the specific techniques it uses. Explore the specific techniques practically through workshops and devising
Week 21	Mock component 1. Understand the requirements of completing component 1. Introduce to stimulus'.	Explore stimulus 1 practically and begin to generate planning and devising ideas	Explore stimulus 2 practically and begin to generate planning and devising ideas
