Virtue of the Week – RESPECT

“Don’t do anything from selfish ambition or from a cheap desire to boast, but be humble toward one another, always considering others better than yourselves.” (Philippians 2:3)

You might be awarded a *respect* virtue for doing things like:

- Using good manners
- Speaking of fellow pupils and staff in good terms
- Looking after the school building

- ***You show respect when you treat other people as you would like to be treated.***
- ***You treat people with courtesy and kindness not because of who they are or what they have done, but because, like you, they have a God-given dignity.***
- ***You respect yourself so that you have the confidence to be yourself and not give in to things you know are wrong or not to give in to those who want you to do things you don't want to do.***
- ***You show respect for creation through your care for nature.***

What do we want to be known for?

Knowledge	<p>Last week there was a news story about a school in Wales where a <u>CROCODILE</u> was found under the floorboards!</p> <p>Holy Family don't have a crocodile, as far as I know. So what would you like our school to be known for?</p>
Reasoning	<ol style="list-style-type: none">1. What do you want our school to be known for? Is it something fantastic, or something routine?2. Why?3. How might you go about making this happen?
Practice	<ol style="list-style-type: none">1. Do everything you can to act virtuously in our school.2. Make a positive impact upon our school.3. Encourage others to do the same.
