Dear Parent/Carer

In preparation for the GCSE examinations this summer, we would like to invite your son/daughter to attend after school revision sessions. I have attached details to this letter. The sessions will be offered in the morning, at lunchtime and after school. We have decided to make this an open invitation to all students but some students who are at risk of underperforming will also be approached individually in addition to this letter. These students will be selected by the subject leader personally and you will be informed of this via a message on ClassCharts. Please discuss this initiative with your son/daughter and encourage them to attend so we can support your child to achieve their own personal best in the summer.

The awarding organisations have now published the advance information for the summer 2022 examinations. Senior leaders, subject leaders and class teachers are now incorporating this information into their planning, this will have a major bearing on the topics and focus of the revision sessions making it even more important that students attend.

In addition to the revision session, students will be collecting ClassCharts revision rewards for each session attended. You will also be able to monitor how many sessions your son/daughter has attended. At the end of the revision block your son/daughter will be given a gift voucher and its value will be linked to how many sessions they have attended, up to a value of £25. If a student attends 4+ sessions each week for the 7 week block, the value they have accumulated could be used to pay for/part pay for their Prom ticket (this is dependent on the final costs of the Prom). If your son/daughter is not attending the Prom, the equivalent value can be exchanged for a voucher. The main reward however, as I am sure you will be aware, is the summer results your child collects in August!

To ensure that your son/daughter can take part in the after-school sessions, please make sure that you have signed page 8 of the student planner giving permission.

These sessions will start at 3.00 pm and finish at 4.00 pm, please arrange for your son/daughter's safe journey home at this time. Please see the revision session timetable overleaf.

If you require any further information, please do not hesitate to contact me or Mr Ryan.

Yours sincerely

I Burrows
