

## Awakening Minds in English

All students are given the opportunity to engage with a range of literature, exposing them to other times, cultures, themes and issues, in order to awaken their minds to worlds similar and different to our own. Empathy and debate are actively encouraged so that our students grow to acknowledge and understand others and can present their own opinions thoughtfully.

## Achieving Dreams in English

Every student is encouraged to achieve aspirational levels in English and Literature. Students of all abilities are supported to achieve their targets, building knowledge and skills throughout all Key Stages of learning. Striving to ensure our students are literate, functional, skilled and even masterful with the English language, will enable them to achieve in wider society.

## Serving Others in English

Serving each other is an integral part of studying English and English Literature which is demonstrated in small and large group discussion as well as paired and group work, in order to share knowledge and experiences. Through working together, respecting others' learning and kindness can grow, allowing examples of students' work to be critiqued and celebrated in a supportive learning environment.
