

Geography	Summer Term 1 Year 10	UK landscapes	
What? When? Why?	Lesson one Learning intentions (what can a student do at the end of the lesson)	Lesson two Learning intentions (what can a student do at the end of the lesson)	Lesson Three Learning intentions (what can a student do at the end of the lesson)
Week One	<ul style="list-style-type: none"> • What distinctive landforms can be formed by deposition including the processes of longshore drift? 	<ul style="list-style-type: none"> • What distinctive landforms can be formed by deposition including the processes of longshore drift? 	<ul style="list-style-type: none"> • What is recession and how do human and physical factors interact to cause recession?
Week Two	<ul style="list-style-type: none"> • How can coastlines be managed to protect them from recession and flooding? 	<ul style="list-style-type: none"> • What issues is Dawlish Warren facing due to floods and recession? 	<ul style="list-style-type: none"> • What are the major challenges facing the UK around flooding and mitigation? • Why do some parts of the coastline flood more than others?
Week Three	<ul style="list-style-type: none"> • How does changing population in the UK impact on the risk of flooding in the UK? 	<ul style="list-style-type: none"> • How do rocks create distinctive landscapes in the UK? • How might we classify different landscapes based on geology? 	<ul style="list-style-type: none"> • What are the key features of a drainage basin?
Week Four	<ul style="list-style-type: none"> • How do rivers change along their long profile? 	<ul style="list-style-type: none"> • What are the main processes that create river landscapes over time? 	<ul style="list-style-type: none"> • What are the main processes that create river landscapes over time?
Week Five	<ul style="list-style-type: none"> • How can we use data sources such as OS maps and photographs to identify how rivers change along their long profile? 	<ul style="list-style-type: none"> • What is a geographical investigation and how do we set up hypothesis testing approach to it? 	<ul style="list-style-type: none"> • Why is sampling framework vital for a reliable and accurate geographical investigation?
