## Virtue of the Week – HOPE

“The only way to do great work is to love what you do. If you haven’t found it yet, keep looking. Don’t settle.” (Steve Jobs)

You might be awarded a *hope* virtue for doing things like:

- Making progress towards targets
- Overcoming obstacles in life and learning
- Working towards a successful life after school

- ***You know that when life gets hard you don't give up but carry on hoping that things will get better.***
- ***You dream of a better world or something better that will come in the future.***
- ***You live for something greater than yourself.***
- ***Your hope drives out selfishness and boredom and encourages you to engage with your community and do good works.***
- ***You trust that God is at work moving the world towards what is good.***
