Virtue of the Week – SENSE OF HUMOUR

“A time to weep and
a time to laugh, a
time to mourn and a
time to dance.”
(Ecclesiastes 3:4)

You might be awarded a *sense of humour* virtue for doing things like:

- Remaining cheerful when things get tough
- Setting the right tone for a happy classroom
- Accepting that none of us are perfect

- ***You can see the funny side of things and can laugh at yourself.***
- ***You recognise that you don't know everything.***
- ***You are not too serious or self-important nor do you go too far and hurt people by what you say or do.***

Joy

Knowledge

- The third week of Advent is all about 'joy', the joy that comes through Jesus' arrival and through the salvation he brings.
- At Holy Family School, through Advent we always try to support people who might not have so much joy in their lives at this time of year.

Reasoning

1. Why might some people be short of joy this Christmas in particular?
2. Why might some people be short of joy any Christmas or at any time of year?
3. What could we do to bring joy to those people?

Practice

1. Please support our Advent Appeal in these final days. Remember the appeal items for your year group!
2. Please support our CAFOD appeal by making your vote this week.
3. Spread joy this week, however you can.
