

## Course Information

iMedia lets students gain knowledge of several key areas in the media field, from pre-production skills to digital animation, it also offers a hands-on approach to learning. The Cambridge National in Creative iMedia will also provide opportunities to develop useful transferable skills such as research, planning, and review, working with others and communicating creative concepts effectively.

## Course Content

Compulsory:	Optional 2 from:	
Pre-production Skills	2D & 3D digital characters	Interactive Multimedia Products
Creating Digital Graphics	Websites	Digital Sound
	Story Telling	Digital Video
	Digital Animation	Digital Photography
	Game Concepts	Digital Games

## Assessment

Most of the qualification is tested by coursework that is set and marked by your teacher. This will be done throughout the two-year course. So, if you like project work, enjoy research and doing practical things you may find a Cambridge National a better option than a GCSE. One of the units that students must take – on pre-production skills – involves a written exam that lasts 1 hour and 15 minutes and is set and marked by the team at OCR.

## Future Opportunities

Cambridge National in Creative iMedia is effective preparation for a range of qualifications including:

Cambridge Technicals – IT Level 3 or Digital Media Level 3 (these are OCR vocational qualifications that offer an alternative to A levels for students aged 16+).

Students could also consider moving into AS or A Level Computer Science.

There are many different careers that this qualification could help you move towards.
