

Design Technology Year 10

Learning Intentions Summer Term 1

2024-2025

	LESSON 1	LESSON 2	LESSON 3
WEEK 28 wc 21 st April		Students should be able to understand and describe key concepts such as how to: <ul style="list-style-type: none"> Investigate Analyse and evaluate the work of past and present designers and companies 	
WEEK 29 wc 28 th April	Students should be able to understand and describe how investigating the work of others can inform designing to generate imaginative solutions.	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus – AO1 – Students should demonstrate the ability to identify, investigate and outline design possibilities to address needs and wants for their chosen theme.	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus – AO1 – Students should complete the AO1 section of the design folder.
WEEK 30 wc 5 th May		Students should be able to understand and describe key concepts such as how to: <ul style="list-style-type: none"> Use a range of design strategies to help produce imaginative and creative design ideas. How to avoid design fixation 	
WEEK 31 wc 12 th May	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus AO2 – Students should complete the design section of the folder by producing imaginative and creative designs for their chosen theme – Part 1	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus AO2 – Students should complete the design section of the folder by producing and developing a chosen design for their chosen theme – Part 2	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus AO2 – Students should demonstrate the ability to plan and develop a suitable prototype of their chosen design – Part 1
WEEK 32 wc 19 th May	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus AO2 – Students should demonstrate the ability to plan and develop a suitable prototype of their chosen design – Part 2	NEA Project Students will undertake a mock NEA project based on the themes from May 2024. Focus AO2 – Students should demonstrate the ability to plan and develop a suitable prototype of their chosen design – Part 3
